Dear Friend,

Thank you for stopping by my campaign website!

As your Treasurer, I am honored to serve the residents of Franklin County. As the chief investment officer for the county, I am responsible for collecting and managing county revenue. I am committed to investing those funds wisely.

Smart investment means more money for essential county programs. At peak periods, this means securely managing more than \$1 billion in taxpayer dollars. Responsibility at this level requires steady, honest leadership because this revenue is critical to our schools, parks, libraries, and to Franklin County government.

As you navigate this site, you will find important information about county issues, news about the County Treasurer's office, and links to other important sites. You will also have the opportunity to volunteer for the campaign, make a donation, or sign up for our newsletter.

I respectfully ask for your vote on Tuesday, November 6th, 2012.

Sincerely,

Ed Leonard
Franklin County Treasurer
